Dear Mr. Cornish:

This letter is to compliment you on assembling a professional work force at Atlantic Boats.

I have had the pleasure of doing business with your company since 2003 with my first boat.

I am now on my second boat and couldn't be happier with her. The trailer for the second boat was purchased new at Atlantic boats.

All work, storage etc. has been handled thru Catherine de Silva for the most part.

I cannot express enough to you what a delight it is to work with her. She is a true professional in every sense of the word. She is very knowledgeable and always is willing to go the extra mile. It's because of people like Catherine that allow people like myself to experience a worry free boating season.

Please extend my sincere "thanks" to all of the team at Atlantic boats for a job well done!

Sincerely,

Gary Forsyth
